Design Trends	Material Design – Flat Design (V1 & V2) – Card Based Design – Skeuomorphism

Technical Knowledge	Mobile First Design – MVC Philosophy – Design Patterns – Software Process Models (Agile Development, ...) – Teamwork – Software Project Management
Others	Unity3D Game Engine – Microsoft Office – Matlab – Autodesk 3ds Max – Proteus – Codevision AVR – Cloud Infrastructure (OpenStack) - Verilog
Wishes To Learn	Ruby on Rails, Virtual Reality, Distributed Programming, Agent AI and Quantum Programming

EXPERIENCE

Aytensoft	CEO – 1394 until now
Break Time in University Summer Campus	Director of Booths and Tournaments Committee, Member of Informatics Committee - 1395
Shiraz University ACM Committee	Chairman of Shiraz University ACM Programming Committee, 1394 - 1395
Teaching Experience	<ul style="list-style-type: none"> • Computer Lab – 1393 – Teacher Assistant - Supervised by Dr. GholamHossein DastgheibiFard • Principles of Programming – 1393 – Teacher Assistant - Supervised by Dr. Ali Hamzeh • Advanced Programming – 1394 – Teacher Assistant - Supervised by Dr. Ali Hamzeh • Design and Analysis of Algorithms – 1395 – Teacher Assistant - Supervised by Dr. Zohreh Azimi Far • Design and Analysis of Algorithms – 1395 – Teacher Assistant - Supervised by Dr. Koorush Ziarati • Fundamentals of Operating Systems – 1395 - Teacher Assistant – Supervised by Dr. MohammadReza Moosavi

- Web Programming – 1396 – Teacher Assistant – Supervised by Dr. Alireza Kazemi
- Design and Analysis of Algorithms – 1396 – Teacher Assistant – Supervised by Dr. Koorush Ziarati
- Fundamentals of Programming – 1396 Teacher Assistant – Supervised by Dr. Ahmad Towhidi

Shiraz University Robotic
Committee

Robotic Magazine Chief Editor

HONORS

Germany 2D Robotic
Soccer Simulation
International Matches

5th among all teams (1st among Iranian teams) - 1395

ACM International
Programming Contest

12th Ranking in national round among 50 teams - 1394

ACM International
Programming Contest

14th Ranking in National Round Among 50 Teams - 1393

National Computer Lab
Programming Contests

Qualified for National Round - 1390

EDUCATION

Bachelor's In Computer
Engineering

Shiraz University
Iran – Shiraz
(3rd Rank Among All B. Sc. Students)

WORKS

http://shirazu.ac.ir/persons/	A Module That Holds And Manages Information About Persons And Units Of Shiraz University (PHP)
http://merajedel.ir	A Website About Religious Sounds And Poems (PHP)
http://yooneskhir	Personal Website, Holds Information And Portfolio
YaSProxy	A Proxy Server Application written in C98
http://cafebazaar.ir/developer/yooneskhir/	My Android Apps
http://foundersbuddy.com	Landing page for a startup
http://inewton.ir	Website to manage students of a private tutor
http://dastanestan.ir	Startup in writing industry
Taxina	Mobile application similiar to uber
https://hastialbum.com	Startup in printing industry for aoutomating the process
https://itaxi.plus	Internet Taxi application. Made the complete website and android application
Databank	A specialized Software for Namazi Hospital to store their information

FAVORITES

- Computer Games
- To Read : Sci/Fi Books, Manga (Japanese Comics)
- Music Instrument : Daf
- Sport : Taekwondo, Football, Volleyball

Fluent in English language: Writing and Speaking
